

Make Mistie's Paper Yacht

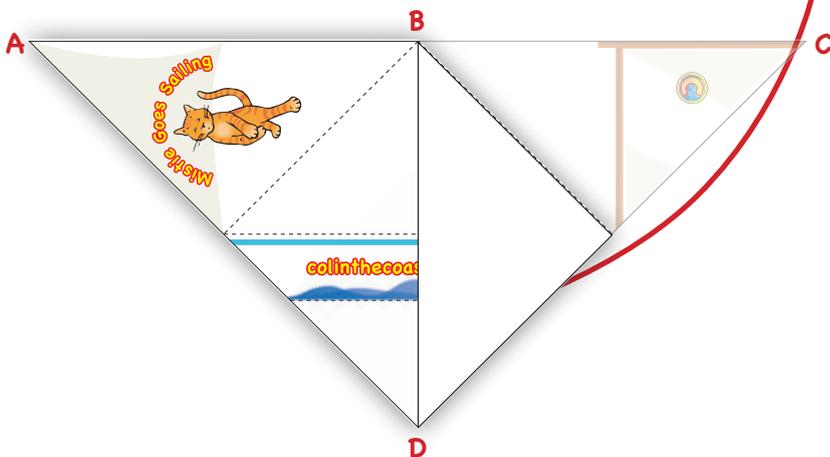

Ask a grown up to help you fold the paper in the right places!

- ① Carefully cut out the triangle and place it on the table like this:

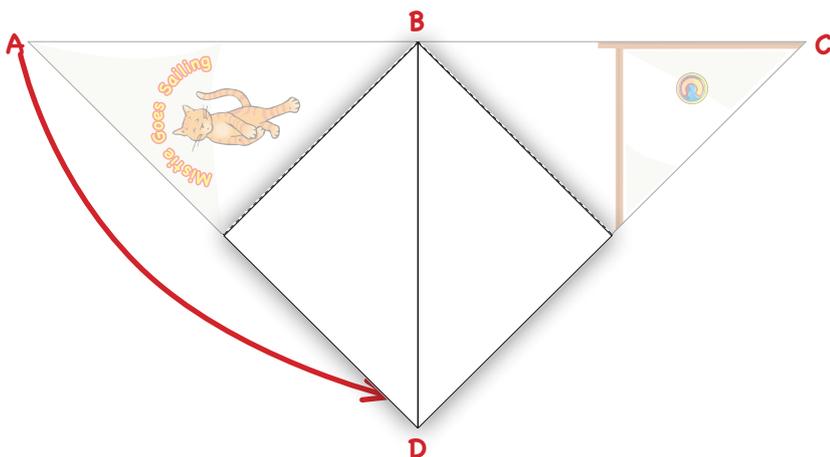

Be careful -
scissors are sharp!

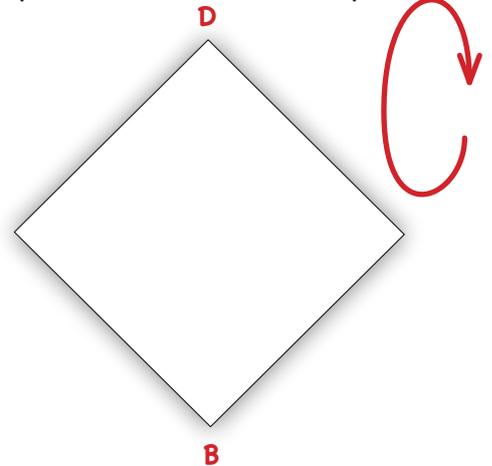

- ② Along the dotted lines, fold point C to point D.

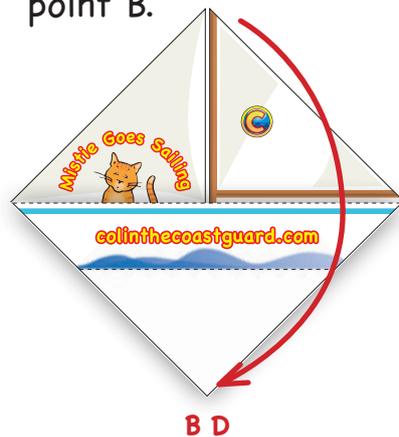

- ③ Fold point A to point D.

- ④ Turn it over so that point D is at the top.

- ⑤ Pull down point D to point B.

- ⑥ Fold the paper underneath, below the line of the sea, to make it stand up.
